Mehli Mehta's Violin Recital

The 'Poona Musical Society' gave a beautiful treat on 24th Sept. to the music-lovers of Poona by presenting India's famous violinist Mehli Mehta admirably accompanied by Khorshed Sorewala, in St. Vincent's School Hall.

There was a perfect balance between the violinist and the pianist and Mr. Mehta showed his talent on his instrument by his effortless renderings of Vivaldi's Sonata, Lalo's Symphonic Espagnole and Bruch's Concerto in G minor.

The Poona Musical Society whose object is promotion of serious music is now established for 6 years and has a standard of musical performances to be placed before its audience. It gives regularly 'Live' concerts by local talent as well as foreign artistes visiting India. Besides, it also gives recorded concerts known as 'Musical Appreciation Hour' twice a month on alternate Thursdays where a brief outline is given about the composers and their works. The membership to this society is available by payment of subscription which is quite nominal. Members have the privilege of advance bookings and special concession rates at their concerts.

The Society, I hear, has a very beautifully chalked out programme for the coming months with international artists visiting India, Richard Farrell, a pianist from New Zealand, Senor Gaspar Cassado the well-known Cellist from Spain and Nicolai Carloff another pianist of Russian origin.
